## **Garage Door Repairs**

Some repairs will be done on the underground garage door on Thursday, April 16<sup>th</sup>, 2026 between 10AM to 3PM.

The door may be in shut position during these repairs and technicians will be working in the area. Please be cautious of the contractors working in the area and vehicles may not be able to pass through.

Please park in visitor parking, in advance, if you have to go out during above hours. Residents coming in can also park in the visitor parking during above hours and move your cars inside after the repairs.

Thank You  
YCC 469
